0240-3-20-.01 INSTITUTION POLICY STATEMENT.

- (1) Community College students are citizens of the state, local, and national governments, and of the academic community and are, therefore, expected to conduct themselves as law-abiding members of each community at all times. Admission to the College carries with it special privileges and responsibilities apart from those rights and duties enjoyed by non-students. In recognition of the special relationship that exists between the Institution and the academic community which it seeks to serve, the Tennessee Board of Regents has authorized the Presidents of the Institutions under its jurisdiction to take such action as may be necessary to maintain campus conditions and preserve the integrity of the institution and its educational environment.
- (2) Pursuant to this authorization, the Institution has developed the following Regulations which are intended to govern student conduct on the campus. In addition, students are subject to all national, state and local laws and ordinances. If a student's violation of such laws or ordinances also adversely affects the Institution's pursuit of its educational objectives, the Institution may enforce its own regulations regardless of any proceedings instituted by other authorities. Conversely, violations of any section of these Regulations may subject a student to disciplinary measures by the Institution whether or not such conduct is simultaneously violative of state, local or national laws.

Authority: T.C.A. §49-8-203. **Administrative History:** Original rules first filed August 28, 1984; effective November 13, 1984. Amendment filed April 23, 1993; effective July 28, 1993.

Authority: T.C.A. §49-8-203. **Administrative History:** Original rule filed August 28, 1984; effective November 13, 1984.

0240-3-20-04 DISCIPLINARY SANCTIONS.

- (1) Upon a determination that a student or organization has violated any of the rules, regulations or disciplinary offenses set forth in these Regulations, the following disciplinary sanctions may be imposed, either singly or in combination, by the appropriate Institution official.
- (2) Definition of Sanctions.
 - (a) Restitution. A student who has committed an offense against property may be required to reimburse the Institution or other owner for damage to misappropriation of such property. Any such payment in restitution shall be limited to actual cost of repair or replacement.
 - (b) Warning. The appropriate Institution official may notify the student that continuation or repetition of specified conduct may be cause for other disciplinary action.
 - (c) Reprimand. A written reprimand, or censure, may be given any student whose conduct violates these regulations. Such a reprimand does not restrict the students in any way, but does have important consequences. It may signify to the student that he or she is in effect being given another chance to conduct himself or herself as a proper member of the institutional community, but that any further violation will result in more serious penalties. In addition, a reprimand does remain on file in a student's personnel record for a period of one year.
 - (d) Restriction. A restriction upon a student's privileges for a period of time may be imposed. This restriction may include, for example, denial of the right to be presented at the Institute in any way, denial of use of facilities, parking privileges, or participation in extracurricular activities for a maximum of one year.
 - (e) Probation. Continued enrollment of a student on probation may be conditioned upon adherence to these regulations. Any student placed on probation will be notified of such in writing and will also be notified of the terms and length of the probation. Probation may include restrictions upon the extracurricular activities of a student. Any conduct in violation of these regulations while on probationary status may result in the imposition of a more serious disciplinary sanction.
 - (f) Suspension. If a student is suspended, he or she is separated from the Institution for a stated period of time with conditions of readmission stated in the notice of suspension.

(Rule 0240-3-20-.04, continued)

- (g) Expulsion. Expulsion entails a permanent separation from the Institution. The imposition of this sanction does become a part of the student's permanent record, and is a permanent bar to his or her readmission to the Institution.
 - (h) Interim or summary suspension. Though as a general rule, the status of a student accused of violations of the regulations should not be altered until a final determination has been made in regard to the charges against him/her, summary suspension may be imposed upon a finding by the appropriate institutional official that the continued presence of the accused on campus constitutes an immediate threat to the physical safety and well-being of the accused, or of any other member of the institutional community or its guests, destruction of property, or substantial disruption of classroom or other campus activities. In any case of immediate suspension, the student shall be given an opportunity at the time of the decision or immediately thereafter to contest the suspension, and if there are disputed issues of fact or cause and effect, the student shall be provided a hearing on the suspension as soon as possible.
 - (i) Mandatory participation in and satisfactory completion of a drug or alcohol abuse program, or rehabilitation program.
- (3) The President of the Institution is authorized, in his or her discretion, to subsequently convert any sanction imposed to a lesser sanction, or to rescind any previous sanction, in appropriate cases.

Authority: T.C.A. §49-8-203. **Administrative History:** Original rule filed August 28, 1984; effective November 13, 1984. Amendment filed April 23, 1993; effective July 28, 1993. Amendment filed January 11, 2002; effective May 31, 2002.
